By Adrienne Papp

Producers Craig Zadan and Neil Meron today announced the special material writing team for the 87th Oscars, which will air live on Oscar Sunday, February 22, 2015, on ABC.

Host Neil Patrick Harris will lead the special material writing team alongside head writer Dave Boone. Boone, a veteran of eight Oscar telecasts, won two Emmys® for his work on the 63rd and 64th Tony Awards®, and received nominations for all three subsequent shows. He also earned nominations for his work on the 84th Oscars, hosted by Billy Crystal, and the 70th and 71st Golden Globe Awards telecasts. Boone's additional writing credits include the "Primetime Emmy® Awards," "The Neighborhood Ball: An Inauguration Celebration," the "Academy of Country Music Awards," the "Screen Actors Guild Awards," and "Dick Clark's New Year's Rockin' Eve with Ryan Seacrest."

Writer and producer Paul Greenberg won an Emmy as a writer on the 63rd Tony Awards and earned three more nominations for his work on subsequent telecasts. His other credits include "The Ellen DeGeneres Show," the "Primetime Emmy Awards" and the "People's Choice Awards." Greenberg also is a veteran sketch comedy performer and is currently writing, producing and acting in his own show, "International Ghost Investigators: Hollywood Division," which airs on DirecTV's Audience channel.

Mason Steinberg, a three-time Emmy Award nominee, has written material for some of biggest comics in the industry. His television credits include the 84th Academy Awards® show, the "Primetime Emmy Awards," the "MTV Movie Awards" and series such as "Crank Yankers," "The Andy Milonakis Show," "Lopez Tonight," "Stevie TV" and "The Crazy Ones."

Derek DelGaudio is a performance artist, writer and co-founder, along with artist Glenn Kaino, of A.Bandit, an experimental performance art collective. DelGaudio wrote and co-starred in "Nothing to Hide," a theatrical magic show directed by Neil Patrick Harris that debuted at L.A.'s Geffen Playhouse in 2012 and Off-Broadway at the Signature Theatre in 2013. DelGaudio was selected as an artist-in-residence at Walt Disney Imagineering earlier this year. He is currently writing a new theater show to debut in 2015.

Liz Feldman is a four-time Emmy winner for her work as a writer and producer on "The Ellen DeGeneres Show." Feldman wrote material for the 79th and 86th Academy Awards telecasts and was a writer and producer on the comedy series "2 Broke Girls." She is the creator of the new comedy series "One Big Happy," which she is also writing and executive producing for a 2015 launch.

Paula Pell is a comedy writer, producer and actress, best known for her writing work on "Saturday Night Live" for two decades. The SNL characters she helped create include Debbie Downer, the Spartan Cheerleaders, and Marty and Bobbi. A few years ago, Pell began writing for feature films, and in 2012 she executive produced Judd Apatow's "This Is 40." Her first original screenplay, "The Nest," was shot this summer with Amy Poehler and Tina Fey. The film is due out next year.

Tim Carvell is a writer and executive producer on the series "Last Week Tonight with John Oliver." A veteran of three previous Oscar telecasts, Carvell also served for 10 years as a staff writer and head writer on "The Daily Show with Jon Stewart," during which time he won six Emmy Awards for his work. Carvell is the author of the Planet Tad middle-grade book series, based on his column for MAD magazine.

### ABOUT THE ACADEMY

The Academy of Motion Picture Arts and Sciences is the world's preeminent movie-related organization, with a membership of more than 6,000 of the most accomplished men and women working in cinema. In addition to the annual Academy Awards—in which the members vote to select the nominees and winners — the Academy presents a diverse year-round slate of public programs, exhibitions and events; acts as a neutral advocate in the advancement of motion picture technology; and, through its Margaret Herrick Library and Academy Film Archive, collects, preserves, restores and provides access to movies and items related to their history. Through these and other activities the Academy serves students, historians, the entertainment industry and people everywhere who love movies.
